2. I have traveled and am familiar with a road in Uintah County known as the Leland Bench Road. I am also familiar with the land the road traverses. 4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the late 1950s and continuing through 1976 to the present. During this time period I have observed travel on the road by various means, including trucks and dozers. During this time period, the road has been used daily.
